Dear Parents and Caregivers,

Welcome back to Term Four! Traditionally the busiest and quickest Term of the Year.

The children seem to be enjoying wearing their Summer Uniform. Please make sure your child has the correct uniform for Summer including shoes and socks. Please see the page inside the newsletter for more detailed information.

We have been notified by the Children's Crossing & Road Safety Committee that they are surveying the use of the Maritana St Crossing to assess the usage. If you occasionally use this crossing, please try and use it this week so they can get a true picture of the Community's needs.

The Year Six Camp Committee are organising a Lapathon on Friday afternoon to raise money for Camp. The children collect sponsors from family and friends and have a great time running laps. There will be prizes for the most money raised. Please support the Year Six children by assisting your child to collect sponsors.

Next Wednesday 16th October, we will be having a Liturgy to celebrate Naidoc Day. We were unable to commemorate this day earlier in the year, so we are taking the opportunity to have a special Liturgy next week. Parents are welcome to join us for the Liturgy.

Gecko Sports is coming to Kalgoorlie. Information has gone out to parents regarding a one-off opportunity. Gecko Sports will be visiting our school for the week beginning the 4th November. As the 4th November is a Pupil Free day they have kindly offered to run an OSHC Day. Please see the information in the Newsletter for further details.

On Wednesday, the 16th October the Year Three Catholic children and their parents will take part in a compulsory workshop about the Sacrament of Reconciliation. The venue for this workshop will be the Early Childhood Block. Enter through the glass sliding doors on the veranda. This is an interactive workshop designed to deepen their understanding about the Sacrament. Please make sure you are at the school by 5.50pm so we can commence on time at 6.00pm. Looking forward to an informative night.

As we begin to look towards 2025, if you know your child will be leaving St Mary's at the end of the year can you please inform the office via an email at the earliest opportunity. This assists the school in our forward planning.

God Bless

MANDATE LETTER- *The Distinctive Ethos of the Catholic School*

The ethos of a Catholic school community includes everything that contributes to its life as a place of evangelisation. Strategies to strengthen this ethos are of fundamental importance in the school's evangelisation plan. Our Catholic schools are called to be Christian prophetic communities, fostering the 'new life in Christ' and growth in Christian values, as proclaimed by the Catholic Church. This includes helping students to integrate faith and culture, to be encouraging and supportive of all that is good in society – as well as to challenge all that is contrary to Christ's message. This is crucial to their contribution towards the new evangelisation of our young.

We live in a world that is filled with things and gadgets: things to wear, things to work with, and things to make our life easier. Sometimes we forget that things are not as important as people. The commandments of God teach us to love and respect other people. The young man in today's reading found that a hard lesson to learn.

GOSPEL

Listen to the words of the Holy Gospel according to Mark: 10:17, 19-22

As Jesus was walking down a road, a man ran up to him. He knelt down and asked, "Good teacher, what can I do to have eternal life?"

Jesus replied, 'You know the commandments. 'Do not murder. Be faithful in marriage. Do not steal. Do not tell lies about others. Do not cheat. Respect your father and mother.'

The man answered, "Teacher, I have obeyed all these commandments since I was a young man."

Jesus looked closely at the man. He liked him and said. "There's one thing you still need to do. Go sell everything you own. Give the money to the poor, and you will have riches in heaven. Then come with me."

When the man heard Jesus say this, he went away gloomy and sad because he was very rich.

The Gospel of the Lord.

MUSIC PROGRAM 2024

GUITAR, UKULELE and KEYBOARD INSTRUMENTAL MUSIC 2024

ST MARY'S CATHOLIC PRIMARY SCHOOL

Hi there! My name is Lindsay Ginn and I've been presenting music classes for Guitar, Ukulele and Keyboard for the last five years at St Mary's. It has been proven scientifically that learning to play a musical instrument has huge benefits to students. In fact, when someone plays, studies have shown that every area of the brain is working. It's as though fireworks are going off inside your head! I began learning to play at the age of seven when my parents decided to take a chance on me. They scrounged up enough money to buy an electronic organ and pay for some lessons, hoping that I might do well at it. I'm so glad they did take that chance because I have never stopped playing since that day. I know personally that music does make a major difference in someones life because it did so in mine.

If you would like your son or daughter to begin I'd be honoured to start them on that journey. The cost of each lesson is \$25, which I invoice during the term. I only charge for eight lessons each term, due to other activities that may pop up from time to time.

I'm more than happy to assist you and make recommendations if you don't have an instrument as yet and need guidance - Just let me know. Could you please **email** or **text** through the following information to me if you would like to start lessons this year. My contact details are:
